

Animal Welfare Student Scholars' Meeting

University of Reading

Agriculture Building, School of Agriculture, Policy and Development, Whiteknights
Campus, Reading, RG6 7BE UK

Wednesday 13th December 2017

Featuring talks by students who undertook UFAW & HSA*
(Dorothy Sidley) Animal Welfare Student Scholarships in 2017.

Topics of talks include:

- *Measuring chronic stress in canine epilepsy*
- *The effectiveness of Meloxicam in mitigating pain in response to mulesing*
- *Behavioural responses of primiparous and multiparous dairy cows at calf separation*
- *Behavioural evaluation of the welfare in wild birds caught for ringing*
- *Clarifying the links between skin lesions, aggression and lameness in breeding sows*
- *What is most enriching about learning for captive primates: Novelty and challenge or achievement and control?*
- *Intensively kept but still high welfare state? - Evaluation of a new Austrian pig welfare imitative*

Talks will last approx. 15 minutes. 9.30am - 4.00pm. Free. Refreshments provided
